

*Dear Caregivers, We hope to provide you a fun, relaxing, and resourceful day. You are welcome to enjoy our scheduled events, though we also have an outdoor area designed especially for you.*

*The Caregiver Area is on the large outdoor patio, to the left of the elevators. There are tables and chairs where you can relax, have a snack, and enjoy the beautiful southern California weather and Chapman view.*

### Special Caregiver Area Opportunities

*2:30-3:30 “Focus Group”, Dr. Amy Griffiths from the Thompson Policy Institute on Disability and Autism will lead a discussion on services needed for young adults with autism who are transitioning into the workplace. Come share your ideas and opinions.*

*3:45-4:30 **Guests will be participating in facilitated Interest Group Discussion** of their choice. This is an opportunity for guests to meet peers with similar interests. We encourage new friendships and for guests to share their contact information (phone and/or email) with new friends. You are welcome and encouraged to join these groups if you think your son or daughter will need assistance or encouragement to engage with peers.*

*”Ask an Expert” Professionals working within the autism community are wearing green badges and are available to answer your questions.*

*Relax, socialize and meet some new friends.*

*Browse our **Resource Table***
