

Center for Special Needs: Tea at Ten

Jewish Federation & Family Services

Jewish Federation & Family Services is pleased to announce Tea at Ten, a new monthly meeting for families with special needs.

Tea at Ten is a unique opportunity to bond, in an informal setting over a cup of mid-morning tea, with other Jewish families who share similar life experiences. Tea at Ten is a welcome break from your busy life, where you will meet other families who have similar challenges, and where you will bond with the staff of the JFFS Center for Special Needs. Your participation will also allow us to learn from you! Your feedback will tell us where more support and services are needed - by you and by our community.

Tea at Ten will meet on the **first Tuesday of each month at 10:00am** in the JFFS Library, on the Samueli Jewish Campus at 1 Federation Way in Irvine. For more details or directions, please contact **Danielle Wiltchik**, Coordinator, Center for Special Needs, **949-435-3460 ext 365** or by email to **danielle@jffs.org**.

RSVP is appreciated but not required.
