

# Help at Home and in the Community

*For disabled people who want to live independently, obtaining care and support can be a challenge. Rainbow Home Care supports challenged individuals by offering safe, flexible care, and support tailored to our consumers' needs.*

## SERVICES >>>

Rainbow offers a spectrum of services designed to support all Activities of Daily Living (ADL's) and lifestyle including:

- 24-hour supervision and coaching
- Instruction and personal assistance
- Health maintenance
- Household and budget management
- Community activities and socialization
- Behavioral stability
- Benefit coordination
- and many other services

*Our satisfaction comes from being part of a process that allows our clients to aspire and thrive.*

## SUPPORT >>>

We are proud of our team of over 100 people, all of whom go through rigorous evaluation and background screenings and provided with ongoing training and supervision to ensure we continue to supply the very highest levels of support to everyone who uses our services.

## OUR STAFF >>>

Available 24/7, our professional staff works closely with Regional Centers, clients, their families and Service Coordinators to encourage transition to independence and establish an on-going support network as they take on the big changes that come with learning to live independently.

Rainbow's lengthy experience helps clients to access the many non-medical and consultant healthcare services available for every possible situation.

**WE ARE  
COMMITTED TO  
MAXIMIZING  
PERSONAL  
CHOICE AND  
INDEPENDENCE**

## Live & Work Independently

Rainbow Home Care develops an Individual Care Plan customized so that positive physical, emotional, social and personal development needs are served.

## Our Commitment to the Individual >>>

With Rainbow Home Care by their side, our clients learn to live and work independently in their own community, learning new life skills, discovering self-worth and embracing lifelong learning.

## We are with you every part of the way >>>

Rainbow Home Care has over fifteen years of experience supporting physically and developmentally disabled consumers:

- ✓ An array of services catered to the particular needs of the individual and cooperative with Regional Center guidelines.
- ✓ 24/7 availability to address your and their needs.
- ✓ Monthly and semi-monthly supervisory visits to ensure quality of services. Visits can be increased based on consumer need.
- ✓ Program reports compatible with IPP's.
- ✓ Periodic updates on the consumer's progress available per request (e.g. monthly e-mails or phone calls to SC's).
